SUBJECT:—*Import of Diesel engines of road vehicular type from dollar area against licences for Jan.—June 1955 and July—December 1955 licensing periods.*

No. 50 ITC(PN)/55.—Attention of importers is invited to S. No. 30(e) of Part II in Section II of the Red Book for the current period. It has been represented to the Government of India that importers are finding it difficult to obtain supplies of diesel engines of road vehicular type from the Soft Currency Area. Importers desiring to avail themselves of this concession should apply for their licences to be endorsed accordingly to the licensing authority concerned giving particulars of difficulty experienced in importation from Soft Currency Area and stating the extent to which their licences should be so endorsed.
